

PROJECT SYNERGY ACCELERATOR

STRATEGIC LEADERSHIP

**Lead from Within.
Redefine Power.
Catalyze Change.**

The Project Synergy Accelerator is a curated, small-group leadership experience for executive women ready to disrupt outdated norms, deepen self-trust, and lead with bold clarity. Designed by ChangeFusion after two decades of work with senior leaders, the Accelerator cultivates radical self-awareness, power fluency, and exponential impact.

This is more than a leadership course—it's a transformational experience rooted in real dialogue, unlearning, and aligned action.

THE INVITATION

You are a senior woman leader—VP, SVP, C-suite, founder, or equivalent—navigating complexity, holding power, and seeking deeper alignment. You're looking for:

- A redefined relationship with power
- Strategic clarity in complex environments
- A trusted circle of ambitious, values-aligned peers
- Space to reflect, experiment, and grow

THE EXPERIENCE

- 8 live virtual sessions (2 hours each)
- 3 application/Q&A sessions (1 hour each)
- 1:1 onboarding session with a facilitator
- Leadership assessment & access to facilitator office hours
- Cohort of 12–15 women for high trust and deep connection
- Optional in-person retreat in 2026 (additional fee)
- Program investment: \$4,250

THE TRANSFORMATIONAL SHIFTS

- Radical self-clarity to uncover and shift outdated patterns
- Power fluency to lead with grounded confidence and presence
- Strategic edge to navigate systems, influence, and innovation
- Tangible breakthroughs in how you lead and make decisions
