

THE LEADERSHIP BLUEPRINT™ CIRCLE FOR WOMEN LEADERS

STRENGTHENING SENIOR WOMEN LEADERS' CAPACITY TO LEAD, INFLUENCE, AND SUSTAIN PERFORMANCE IN COMPLEX SYSTEMS.

Executive Overview

The Leadership Blueprint™ Circle for Women Leaders is a six-month group coaching experience designed for senior women leaders operating in complex, matrixed, and high-change environments. The engagement supports leaders in strengthening decision clarity, exercising influence without authority, increasing visibility with intention, and leading change without burnout. Rather than skills training or theory-based learning, this experience helps leaders examine the internal architecture shaping how they lead and translate insight into day-to-day leadership behavior. Participants bring real organizational challenges into the work, ensuring immediate relevance and application.

What's included: This engagement is delivered as a facilitated, cohort-based group coaching experience and includes:

1

Six Facilitated Group Coaching Sessions

- Leadership Blueprint™ and leadership identity/decision making
- Power fluency and influence
- Personal genius and value articulation
- Networks, relationships, and influence systems
- Voice, visibility, and executive presence
- Navigating and leading change sustainability

2

Applied Leadership Practice

Between-session reflection and fieldwork designed to integrate insights directly into participants' current roles and responsibilities.

3

Cohort-Based Learning Environment

A curated peer group of leaders facing similar complexity, enabling perspective-sharing, accountability, and sustained development

Key Outcomes

Organizations sponsoring leaders into the Leadership Blueprint™ Circle for Women Leaders can expect leaders who demonstrate:

- Greater clarity and confidence in decision-making
- Stronger executive presence and communication under pressure
- Increased ability to influence across teams and systems
- More intentional use of networks and relationships
- Reduced over-functioning and burnout
- Increased capacity to lead change without escalation or rework

Investment: \$2,750 per participant (fixed investment per participant)

Engagement length: 6 months

Cohort start: June 2026
